Atty. Docket No.: M1NC006US0
Customer ID No.: 37141
Appl. No.: US10/691,035

RESPONSE

At the time of the July 5, 2005 Office Action claim 1-26 where pending. The Examiner allows claim 4-6, 10-17, 20 and 22-26 and rejects claims 1-3, 7-9, 18, 19, 21. The Examiner's rejections are based on the following:

Claims 1-3, 7-9, 18, 19, 21 under §103(a) as being unpatentable over US Patent 6,700,775 to Juster ("Chuang et al.")

At this time the Applicant would traverse this rejection in favor of allowance of the application with the allowed claims and subject matter. Toward that end claims 7-9, 18 and 19 and 21 have been amended to be dependent on previously allowed claims. Reconsideration of the these claims is respectfully requested.

* * *

The applicants believe that the foregoing fully responds to all outstanding matters, respectfully submit that all remaining claims are in condition for allowance, and respectfully request that a timely Notice of Allowance be issued so the present
